DUST LA ROCK & CODY HUDSON:

"A LOVELY SORT OF DEATH"

Presented by HVW8 Art + Design Gallery

November 16th-December 15th

LOS ANGELES, CA (October 16th, 2012) – On Friday, November 16th, 2012, HVW8 Gallery (661 N. Spaulding Ave. Los Angeles CA 90036) will present A Lovely Sort of Death, the debut dual exhibition of Joshua Prince, a.k.a. Dust La Rock; and Cody Hudson, a.k.a. Struggle Inc. This exhibition series focuses on exploring the balance of life and death in our daily lives influenced by drug use (the rise of euphoria as well as the downward spiral) with the intent of coming into contact with a greater spiritual or cosmic order and much like an alchemist, dissolving away all but the very gold of truth. A joint mixed media show, A Lovely Sort of Death consists of works on paper, sculpture, and more.

Joshua Prince (born December 9, 1976 in Newport Beach, California), professionally known as Dust La Rock, is a New York based artist and designer. He is co-founder of and creative director for Fool's Gold Records, serves as art director for A-Trak, and has his hand in a number of low-brow and high-profile projects at any given time. He currently lives and works in Brooklyn, New York. [www.dustlarock.com](http://www.dustlarock.com)
